

Delicate Palate Bistro Wine List

Wine makes daily living easier, less hurried, with fewer tensions and more tolerance. *Benjamin Franklin*

He who loves not wine, women and song remains a fool his whole life long.
Johan Heinrich Voss

All things in moderation, with a few glorious exceptions.
Robert Mondavi

I have lived temperately...I double the doctor's recommendation of a glass and a half of wine a day and even treble it with a friend.

A Little History on the Wine List

Wine and food are a huge part of our life. Jennifer Cato and Geoff Williams, Jr have worked diligently together to find the best wine pairings possible to highlight the cuisine. Jennifer's work history is heavily centered in the Napa Valley as well as San Francisco. Pairing exquisite wines with top notch cuisine comes as a second nature. Geoff has worked for wineries in Napa Valley and has traveled the country selling wine as a National Sales Director. This opportunity has allowed Geoff to visit some of the finest restaurants in the United States and to impart his knowledge to creating the perfect wine list that accompanies the gems that Jennifer produces from the kitchen. Geoff is also a certified sommelier through the Court of Master Sommeliers. The sommelier certification has allowed Geoff to pursue his interest in creating the perfect wine match for your dinner table. If you ever have any questions regarding the best pairing from the wine list to compliment the food you have ordered as well as fitting into your budget, Geoff is pleased to help guide your selections. The wine list has been developed to offer selections at all price points that match well with the dinner menu.

The wine list has been organized by varietal and is broken down by half and full bottle selections in order to offer you the widest selections possible to compliment your evening. The Italian and Spanish section encompasses too many varietals to list so they are group together to avoid confusion. All wines that are marked with an asterisk (*) are stored at an offsite cellar. These selections must be made 24 hours in advance to ensure they are served at optimal temperature and to allow the sediment settle in the bottle before service.

Cheers,

Geoff Williams, Jr - Sommelier

Jennifer Cato - Chef
